7. Recommendations Concerning Liaison with Other Agencies on Training Matters

25X1A9a

The procedure recommended by Mr. [REDACTED] was read and approved and will be prepared as a memorandum to ADSO and ADPC from the Joint OSO/OPC Training Committee.

8. OSO Administrative Courses

The question of whether or not the Administrative Courses can be joint OSO/OPC courses in the future was considered. It would be desirable to follow the headquarters administrative course with a field administrative course. The only possible objections to making the course a joint one would be differences in administrative procedure and the lack of personnel in OSO Training to handle the administrative matters in running a course.

9. Future Agenda

In a future meeting of the Committee the planning of Language Courses will be considered. In advance Operations and Planning Staffs should be canvassed so that courses can be scheduled for most efficient use of funds.

25X1A9a

An OSO administrative order was shown [REDACTED] for his guidance. The purpose of the order is to prevent personnel from attending Language Courses not approved by the Training Staff.

10. Training Space

25X1A9a

[REDACTED] were asked to make a survey of the space situation in Building #14 and to prepare a request for additional training space for OSO and OPC as it becomes available.
